## **NUTRITION GUIDELINES FOR ALL FOODS AVAILABLE ON CAMPUS DURING THE SCHOOL DAY**

- A. In accordance with Policy 8500, entitled Food Service, the food service program shall comply with Federal and State regulations pertaining to the selection, preparation, consumption, and disposal of food and beverages as well as to the fiscal management of the program.
- B. Guidelines for reimbursable school meals are not less restrictive than the guidelines issued by the U.S. Department of Agriculture (USDA).
- C. The food service program will strive to be financially self-supporting; however, if it is necessary to subsidize the operation, it will not be through the sale of foods with minimal nutritious value.
- D. All foods offered on the school campus during the school day shall comply with the current USDA Dietary Guidelines for Americans, including competitive foods that are available to students a la carte in the dining area, as classroom snacks, or from vending machines.
- E. All food and beverages that are provided, other than through sale, on the school campus during the school day (which may include classroom snacks, for classroom parties, and at holiday celebrations) shall comply with the food and beverage standards approved by the Superintendent and the Educational Service Provider.
- F. The food service program will provide all students affordable access to the varied and nutritious foods they need to be healthy and to learn well regardless of unpaid meal balances and without stigma.
